

A technical seminar of sharing on Internet of Things (IoT) Application in Facilities Management was successfully conducted at the Hong Kong Polytechnic University on 8 June 2018. The seminar received overwhelming response from full house of participants up to 150.

Technical seminar on 8 June 2018 at with full house of participants up to 150.

Before the commencement of seminar, Ir Chris TING, Vice President of BSOMES delivered the opening address and introduced the topics of sharing on IoT Application in Facilities Management. In addition, Ir TING, on behalf of the event organisers, presented souvenirs to the honourable speakers.

On behalf of the BSOMES, Vice President Ir Chris TING delivered the opening address and introduction to all participants

Firstly, Mr. Hilton WONG, Assistant Vice President, Bid & Solutions Consulting, Commercial Group of CSL Mobile Limited, introduced the means of IoT and the standard for IoT connectivity by LTE-M and NB-IoT network characters to optimise network efficiency with Deepening Coverage, Lowing Power, and Enhancing Resources Management. As a result, IoT provided the solutions by integrating the sensor deployment, tracking, data visualization, data analytics and prediction to achieve the application and business development.

Secondly, Mr. Simon LAU, Assistant Vice President, Solutions Development, Commercial Group, CSL Mobile Limited, shared the successful

experience of improving the office premises efficiency and creating the smart parking through IoT by the smart hardware, software and supporting service. In addition, Mr. Lau introduced some smart devices using for safety, security, critical communication, etc.

Mr. Hilton WONG introduced the means of IoT and the standard for IoT connectivity.

Mr. Simon LAU shared the experience in application of IoT.

BSOMES and CSL Mobile took a group photo after the seminar.

Finally, the seminar was completed successfully and all participants had enjoyed the fruitful evening. On behalf of the BSOMES, we would like to express our sincere thanks to all speakers and helpers for their great efforts being exerted on this event.
